

## 2017 SCCF BOARD OF DIRECTORS ELECTION

This year SCCF members will elect six of the twelve Board members to two year terms. Vote for up to six. Mail ballots to SCCF Elections, C/O Steve Morford, 534 Via Zapata, Riverside, CA 92507 or vote in person at the Southern California Open. Those voting by mail must include their name on the outside of the envelope. The election closes at 3 PM on Sunday, September 3rd. Candidate statements and the ballot are below.

### Phil Chase

I have helped to save our State Championship, and worked for local chess players for many years. I appreciate any support!

### Chuck Ensey

The best way to grow the SCCF membership is to have more and bigger tournaments and I have been focused on just that for the last six years by organizing big prize events in San Diego and Orange County. I would greatly appreciate your support for board membership.

### Gabby Kay

I enjoy serving on the SCCF Board of Directors and ask for your vote since there is still much work to be done. As one of your Rank and File co-editors, we seek to improve the magazine as well as continue to grow and diversify chess in Southern California.

### Jonney Machtig

I have spent my life over the past 5 years bringing the community of chess closer together. I hope with another year on the SCCF board I will be able to add new people to the world of chess and continue to grow the clubs and leagues of Southern California.

### Kele Perkins

My name is Kele Perkins. I am the SCCF Scholastic Chair and seeking a 2-year term on the Board. I have contributed to Southern California chess by organizing and directing more than 100 free rated tournaments open to both adults and scholastic players. I want to see SoCal chess grow!

### Jennifer Vallens

My name is Jennifer Vallens. I am a chessmom living in the Conejo Valley. I have been active in the chess community for several years. I am eager to bring my experience running tournaments, organizing, marketing and promoting chess to the SCCF board and further develop chess in Southern California.
