### Dewain Barber

It has been my pleasure to be on the SCCF Board and represent the Southern California Chess Federation for these many years as a Delegate to US Chess, currently Delegate-at-Large. You can find more information about my chess activities at: barberchess.com

### Brian Glover

I have been a Life member of the USCF since 1973. Currently I teach children chess through the Palms Rancho Park Library, the Westwood Library and STAR Education. I feel I will be a good candidate to help promote chess in Southern California.

### Jim Mennella

It has been an honor and a privilege to serve on the SCCF Board. I have been playing tournament chess for over 40 years and hope you will allow me to continue to work on behalf of all chess players in Southern California. Thank you.

### Steve Morford

I currently serve as Board President. Involvement on the Board is an opportunity to give back to a life-long hobby. We have continued to hold the line on dues and tournament entry fees. I welcome your support as the board promotes chess for all ages and levels of proficiency.

### Dylan Quercia

I am the director & co-founder of CA Chess School which is dedicated to providing quality chess education. I have served on the SCCF board for several years as Secretary, and also as one of the Editors of Rank & File magazine. I would love to continue serving and promoting chess in Southern California.

### Guy Reams

I want to continue to pursue my passion for promoting chess in Southern California. As a chess club owner, I understand the challenges in expanding chess in a community. My ambition is to help the SCCF along the path of modernizing our approach to tournaments, events and communications.
