**Please Note:** Sections may be combined if there aren't enough players to justify a separate section. Players may play up into a higher section, but only if they are within 100 points of that rating section, except for the U1400 which is open to all players U1400 and below. A section and/or prizes for U1200 could be added if we have enough players. Unrated players can win a book prize only. The record attendance for a Gambito Open is 49 players; we are hoping to break that record with this event. Let's do it, recruit a friend!

Registration is from **10:00 to 10:25 AM** and the rounds are at 10:30 AM, 12:15, 2:45 and 4:30 PM. Please arrive on time and bring proper equipment, including a clock that you know how to set. Text or call if you are running late, but if you arrive after 10:25 there is a **\$5 surcharge at TD discretion**, or you may be forced to take a first round bye if the round has already started. There is also a **cell phone fine of \$5** or 5 minutes off your clock if it goes off during a round. Spectators are allowed, but are also subject to cell phone fines and may not interfere with any game. Players are expected to behave with good sportsmanship at all times; those who misbehave are subject to being expelled. Very young players must also be respectful and well behaved, if not their parents may be called to take them home. Let's just play and have fun! The lunch break is between 1:45 - 2:45.

**Tournament Directors:** Jeffrey Turner and Chuck Ensey, plus there are several other Assistant TDs that are in training and who may be available to help out when needed.
